

BRING AMERICA BACK TO

LIFE

PROTECT THE UNBORN Lorain County Right to Life.org

“We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable rights, that among these are life, liberty and the pursuit of happiness.”

The Declaration of Independence

Our Nation at its Founding – Life is a Gift: Our nation was founded on the principle that each human life is a gift given by our Creator God. Each one of us is valuable beyond measure and is endowed with rights, specifically because God has poured His creative genius into making each one of us. We are wonderfully made to know and to love God and each other. And in God’s plan, a husband and wife are given the awesome privilege of co-creating, with God, a brand new human life.

The Horrible Reality of Abortion: On January 22, 1973, the U.S. Supreme Court took away the right to life of unborn children. Instead of protecting life, the Court made it the role of government to protect killing. In the ensuing forty-two years, over 56 MILLION American babies have been killed by being surgically ripped from the safety and warmth of their mothers’ wombs. Millions more have been killed by so-called “contraceptives” including the birth control pill, morning after pill, and other patches, implants, and injections that can cause very early abortions.

Each of us is Unique and Unrepeatable. At 9 months of age, we triggered labor and birth and began life outside our mothers. But our existence began 9 months earlier as a single cell, smaller than a grain of sugar, but with all our traits already determined: boy or girl, eye color, hair color, and even our dimples! By day 21, our hearts were circulating our own blood. At 40 days, our brain waves could be detected.

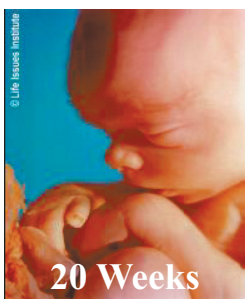

By 8 weeks, every organ was present, and our liver and kidneys were functioning.

At 4 months, we could suck our thumb, turn somersaults, and we could feel pain.

From that point forward, we have simply grown up!

Bringing America Back to Life: It’s time to return to the view that children are gifts from God to be welcomed, respected and protected!

We, the undersigned, see the killing of unborn children by abortion as a national tragedy. We are dedicated to protecting life and loving both mother and child. Join us!
